CONCEPT OF PREMIUM CLASSES

VIDHI JUDICIAL ACADEMY introduced the concept of “Premium Classes” for the first time in India adopting wholistic approach. It means classes where “interest of the students” come first and every other thing comes thereafter. Whatever should be done to serve the best interest of the students, the same is planned and done. Essential components of “Premium Classes” are as follows:

HIGHLY EXPERIENCED FACULTY

Each Faculty at VIDHI JUDICIAL ACADEMY is having experience of interview of Judicial Services Exams. This is minimum qualification for any one to be faculty at VIDHI JUDICIAL ACADEMY so than students may be guided properly as per the requirements of Judiciary Exams.

“INTERACTIVE CLASSES WITH LIMITED NUMBER OF SEATS IN A BATCH”

Foremost Requirement of the students is that class should be interactive. They should be given opportunity to interact with faculty to understand the concepts of law & get his queries resolved. For that purpose, we have decided to keep maximum number of seats 50.

“FOCUS ON EACH AND EVERY STUDENT AS PER SPECIFIC MERITS AND PROBLEMS,”

We feel that every student is different by nature & level of their preparation & therefor every student needs special focus & treatment. Therefore, we wish to further sub divide the class of 50 students into three teams and provide separate faculty to each for their grooming to take out best of them.

“EXCLUSIVE FOCUS ON JUDICIAL SERVICES EXAMINATION”

We believe that Judiciary Exams demand greater degree of research & specialisation. Therefore, we are focussing exclusively on “Judicial Services Examination”. Our attention is not diverted to other exams like CLAT, IAS or LL.B. examinations.

“NO ENTRY OF NON SERIOUS STUDENTS”

Our focus is on achievement of result within earliest possible time and preferable in first attempt. Therefore, quality and sincerity of our students is most important. It's our endeavour that not even a single non-sincere student should be given admission so that environment of class should be competitive and education friendly.
